

Do you have a **FRUIT TREE** in your backyard?

Make the most of it and help give back to your community!

Do you have a **FRUIT TREE** in your backyard?

Make the most of it and help give back to your community!

The Vancouver Fruit Tree Project Society is dedicated to harvesting and sharing neighbourhood fruit.

Our trained volunteers harvest extra fruit from backyard trees and redistribute it to community groups and neighbourhood houses around Vancouver.

If you have extra fruit on your trees, we invite you to participate! Fruit tree owners get to keep a portion of the harvest, too!

For a full list of our community partners or to get involved, visit www.vancouverfruittree.com or email us at coordinator@vancouverfruittree.com.
